RE: Change Of Address For Filings In FCC Docket RM-11287 (LPAM)

Dear Commissioners and Commission Staff,

On October 23, 2005, the Commission opened Docket RM-11287 for public comments on an August 19, 2005 Petition For Rulemaking to establish a Low Power AM (LPAM) Radio Service. One of the 5 Petitioners is THE LPAM NETWORK, which I lead.

I commend the Commission for commencing the process of considering LPAM.

The Commission should be aware that I am no longer based at the same address -- in Lincoln, Maine -- that is listed in the Petition. Since August 19, I have moved to the Buffalo Metropolitan Area in upstate New York. My temporary address is:
